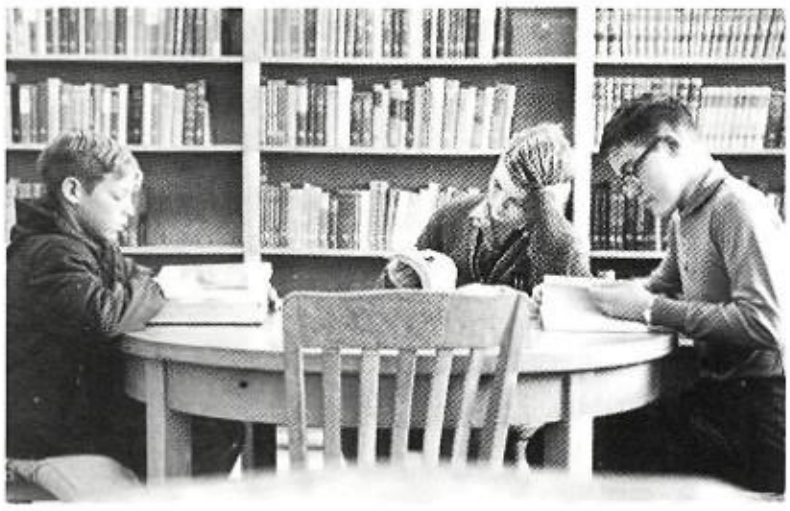
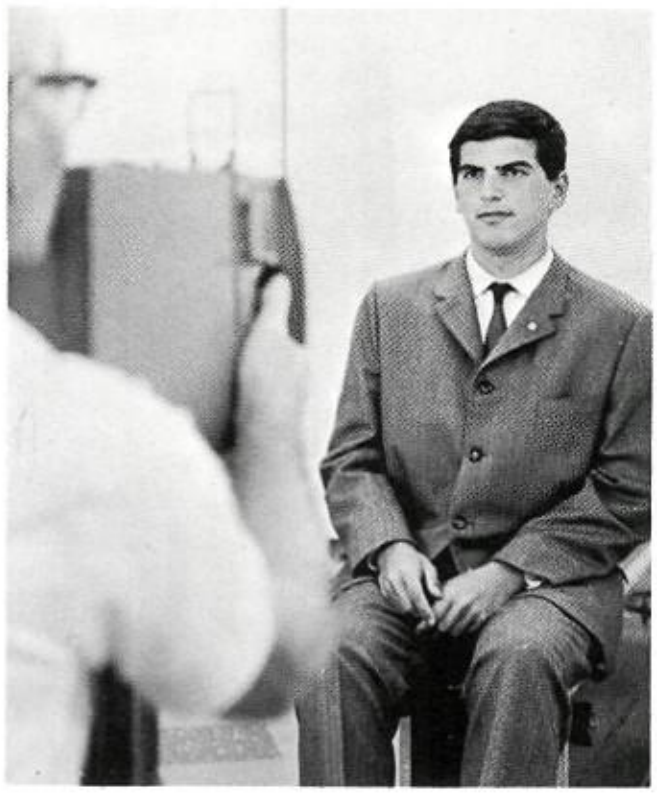
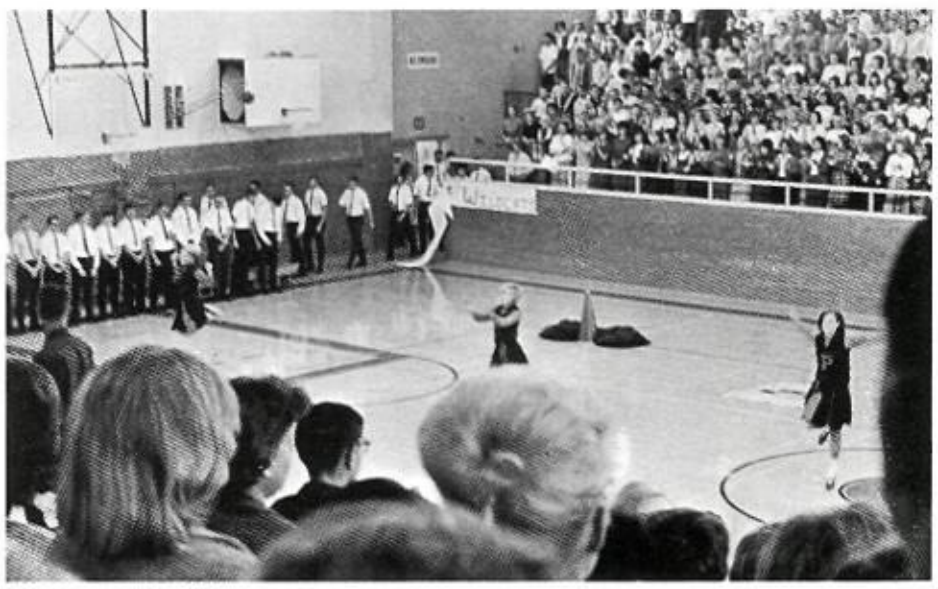
All the School's a Stage . . .

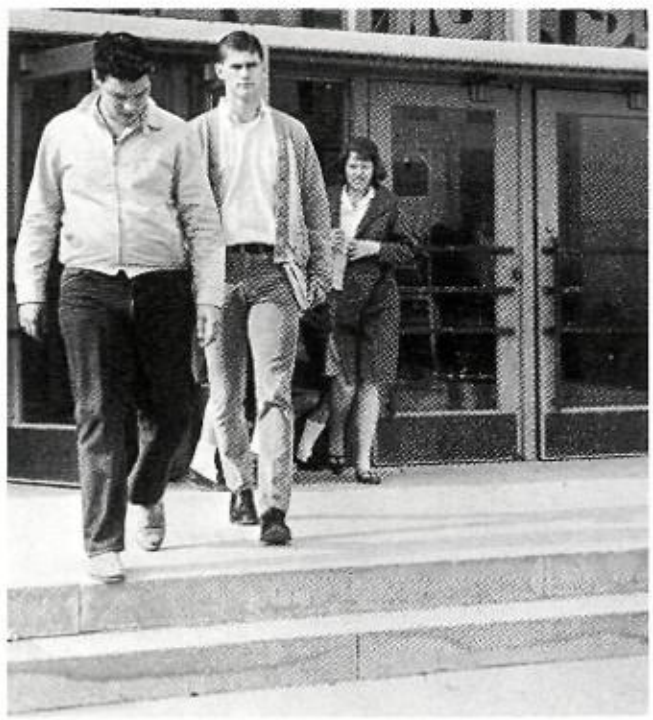


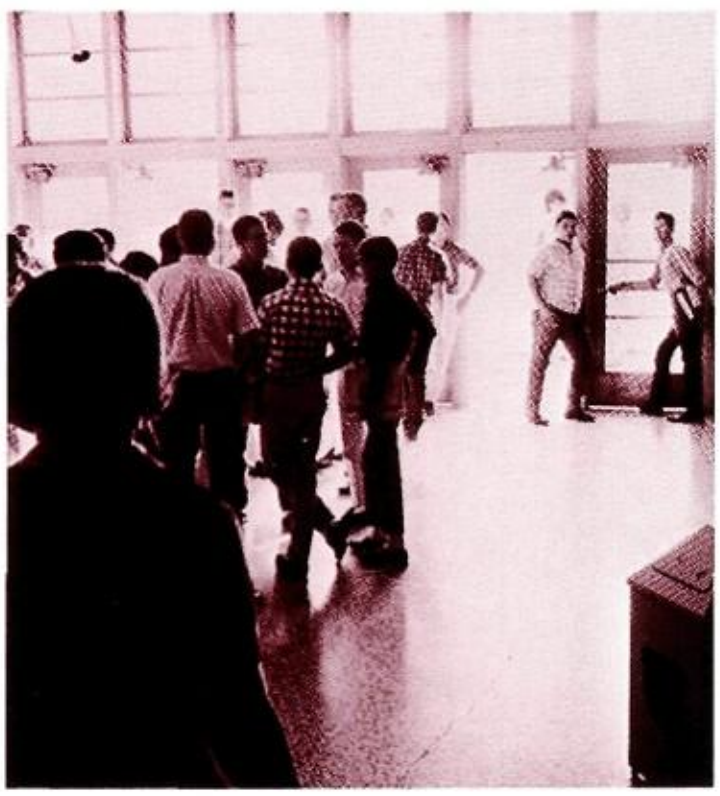


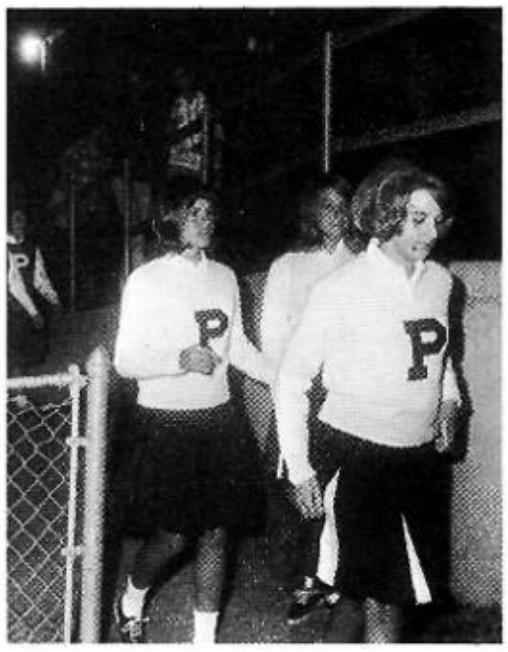


And All the Students Merely Players . . .

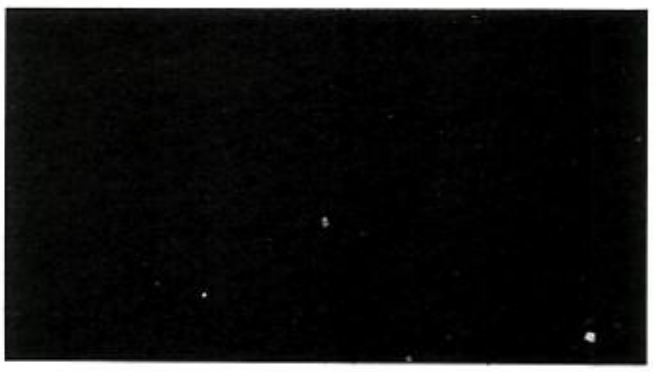
They Have Their Exits . . .



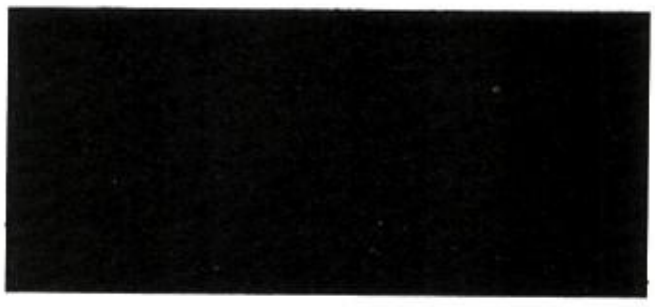




And Their Entrances . . .



And One in His Time Plays Many Parts.



We Proudly Dedicate This a Man

is devoted to the art of dramatics,
never settles for second best,
teaches his students to think,
ponders situations carefully,
stands up for what he believes,
works for a better speech department,
and a better PHS.

Book to Who . . .

Backstage Mr. DeWese gives last minute instructions to the cast and crew of "The Miracle Worker." His wife Velma assists him in the direction of all PHS plays.

This Man Is Mr. James DeWese

To the cast:

The lights dim, a hush falls over the audience, the curtain rises, and we sit back to gaze upon our fast and furious, hurried and frenzied, yet wonderful and fulfilling year of which we have all been a part.

We of the Plain View staff have attempted to paint the scenes, convey the action, portray the characters, and present the plot in order to capture the many memories that will make the year 1965-66 one that will long be cherished.

Alma Mater

The name that thrills, with every sound
Is Plainview High, Our Plainview High!
We'll shout its praises round and round.
Plainview High, Our Plainview High!
We'll fight for honors on the field,
We'll force our strongest foes to yield.
While blazing on our warrior's shield,
Is Plainview High, Our Plainview High!

To thee we give our sacred trust,
Plainview High, Our Plainview High!
Our Banner ne'er must touch the dust.
Plainview High, Our Plainview High!
With courage bold we hoist to view
Our Scarlet Red and Navy Blue.
To show the world we are proud of you,
Plainview High, Our Plainview High!

David Howard points out value contrast in Whistler's painting to Donna Reed. The Humanities classes study art through slides.

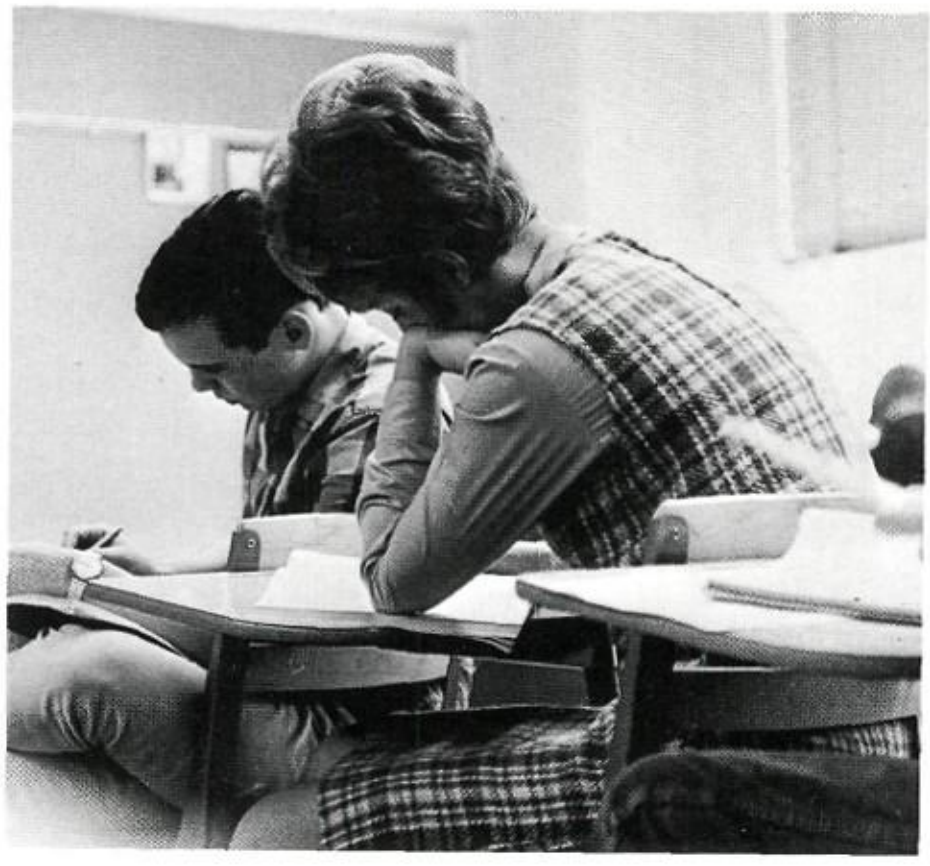
Among the objectives of the English department are better use of grammar, greater understanding of literature, and increased creativity in composition. New to PHS this year is Humanities, a unique course for college bound seniors. It is designed to introduce students to world literature, art, and music. The study of all aspects of newspaper work is studied in Journalism.

Three years of English are required for graduation.

English Department Adds Humanities

Journalism students work hard and fast as deadline approaches.

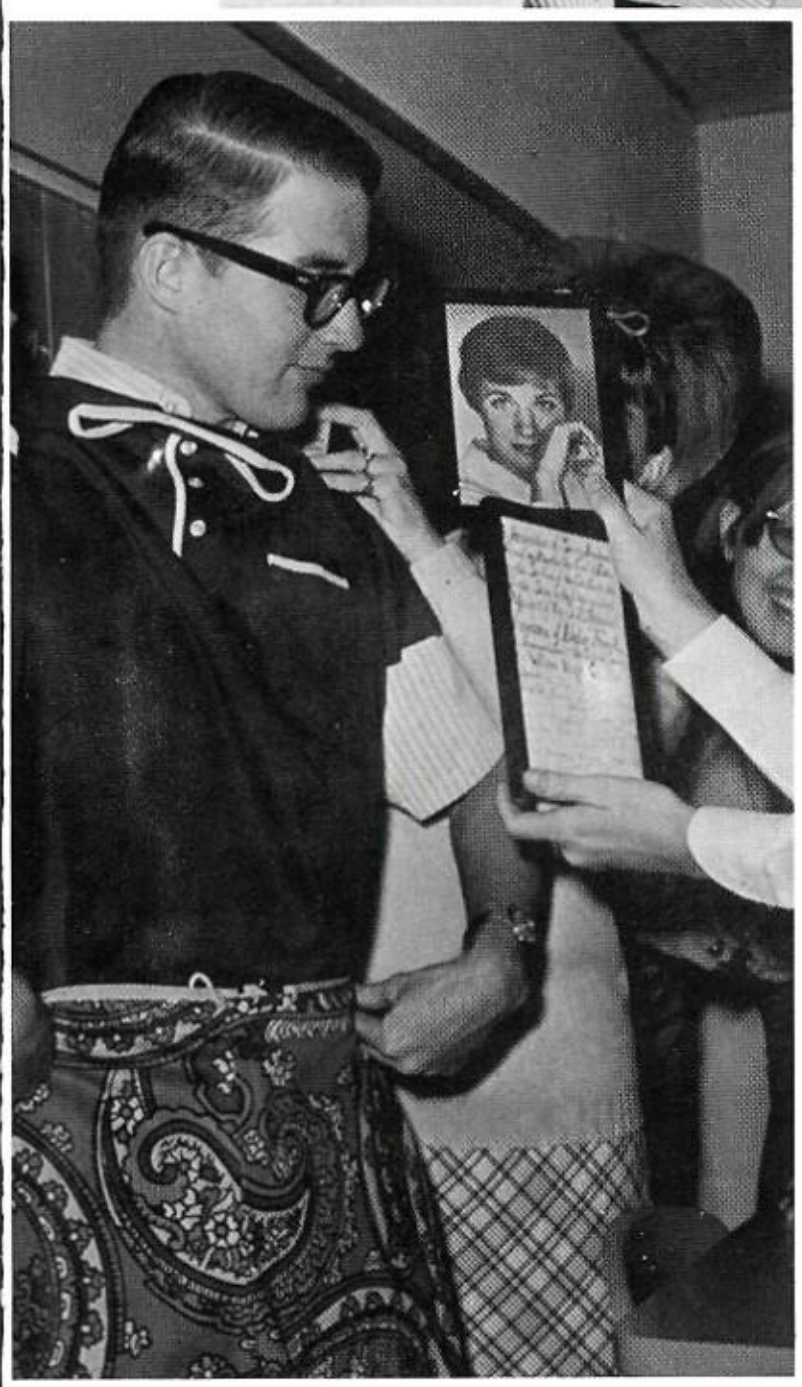
Linda Hale and Richard Cowart study for final exams in English.



Three Foreign Languages Offered at PHS

Joann Wagner and Sisti Wagner adjust their earphones in Spanish lab.

Foreign languages offered at PHS are Spanish, French, and Latin. These courses are becoming more popular each year as the need for increased knowledge in the field of foreign languages grows. Students enrolled in language classes learn to speak and write the language, plus studying the history, geography, and culture of the various countries and people who use the language. Modern equipment such as tape recorders, earphones, and record players help to make these classes fun as well as educational.



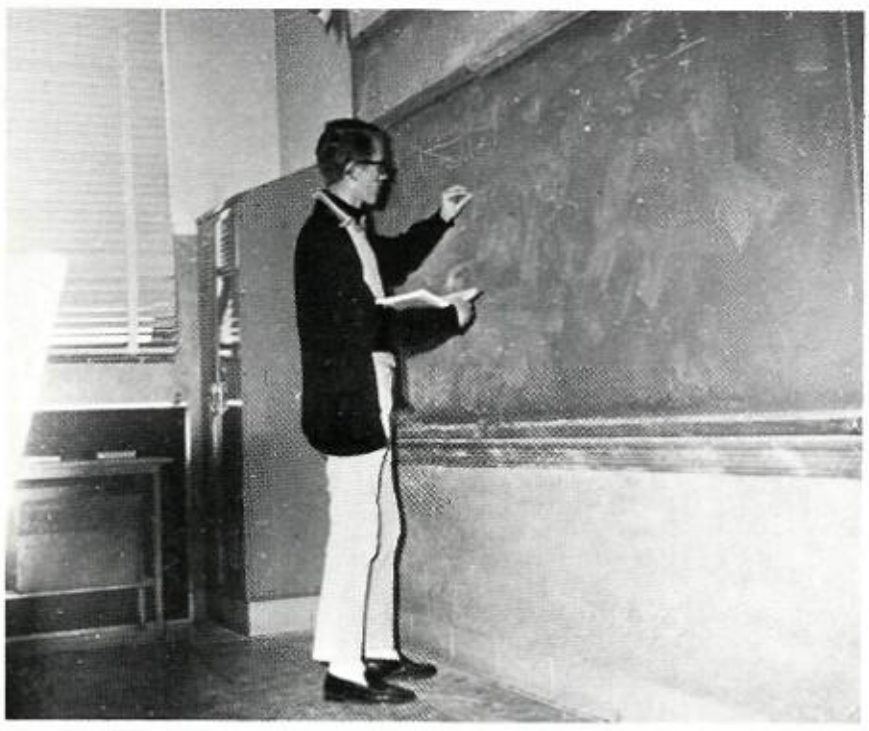
Mr. Griffin's French classes are always full of surprises.

Terri Rousser, Elizabeth Wagner, Monty Stirman, and Pam Akins study a map in Latin class.

Math students study hard for exams in Math.

Many Phases of Math and

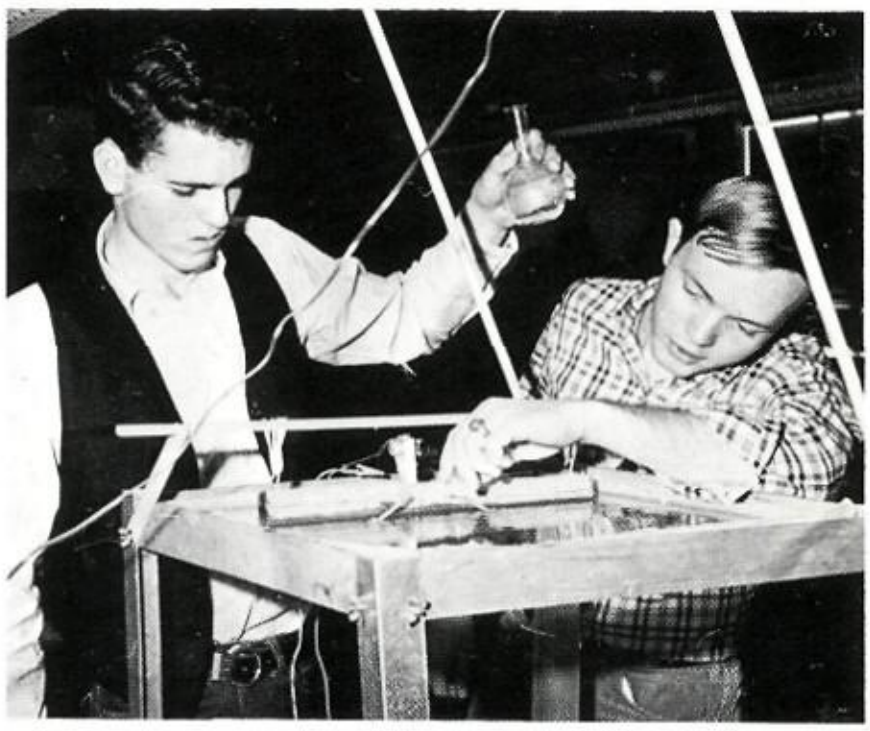
The growing importance of mathematics in the modern world is indicated by an increased interest in the field shown by PHS students. General Math, Algebra I, Algebra II, Plane Geometry, Unified Geometry, Elementary Analysis, and Trigonometry are all studied in detail by students. Algebra and one other year of math are required for graduation.



Lonnie Brown works a problem in Algebra I class.

Mrs. Bonnie Preston and the overhead projector share the billing in Elementary Analysis class.

These are the future scientists of America.



Interested students, Larry Settle and Butch Barley, carry on the experiment of measuring the wave length of water.

Science Available to Students

Well organized courses with emphasis on laboratory activities meet the Science needs of PHS students. General Science, Biology, and Chemistry are offered to all students. The seriously interested young students go into Physics.

For graduation two years in the field of Science are required.

Mr. Dodson explains to enthusiastic students, Butch Barley, Red McCarthy, and Ahmet Yilmaz, how to measure the size of an atom.

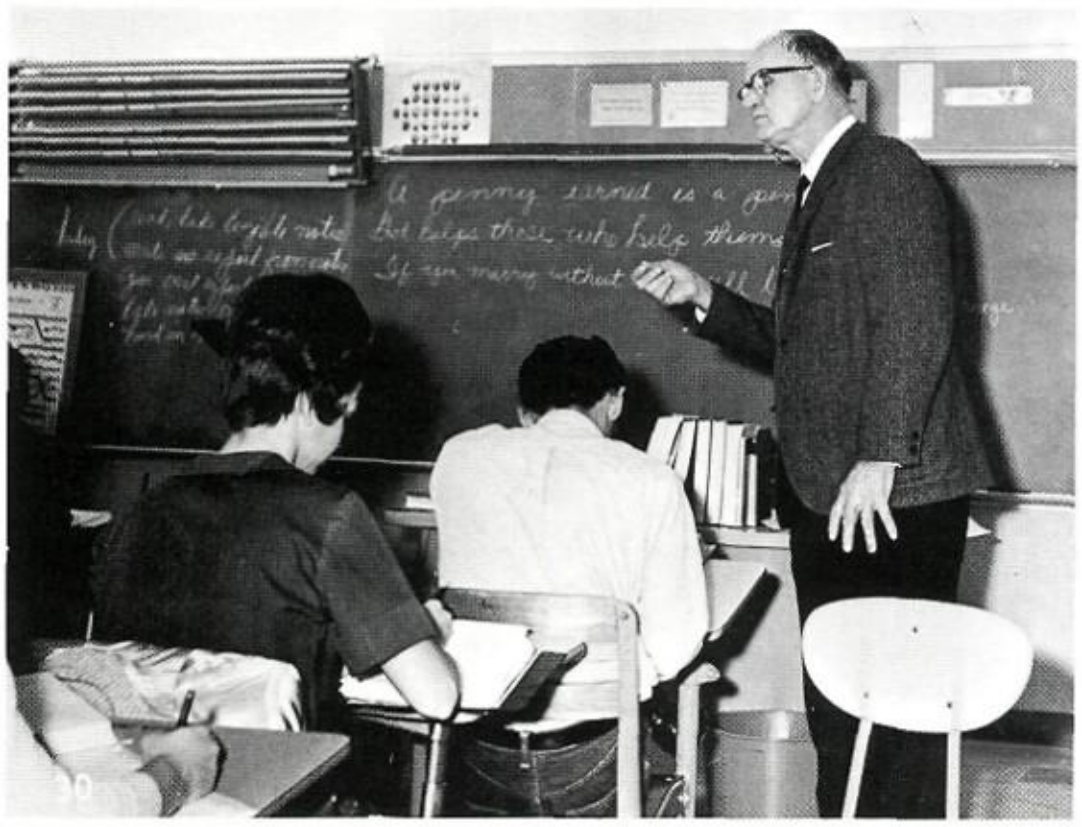
As the past is revealed, the future becomes clearer. Thus, Social Studies connects our heritage with our future. As the world grows smaller, it becomes necessary for each student to understand other goverments and societies.

A minimum of 2 1/2 credits must be acquired in World Geography, World History, American History, Texas History, Civics and Economics to graduate from PHS.

Mrs. Hinds points out the highlights of her trip to Hawaii to student teacher Mrs. Northan and students Mike Thompson, Jane Bell, Connie Prock, and Jim Bailey.

Social Science Explores Many Areas

Mr. Whitfield's lectures include funny stories, personal experiences, and scores of knowledge not found in the textbook.

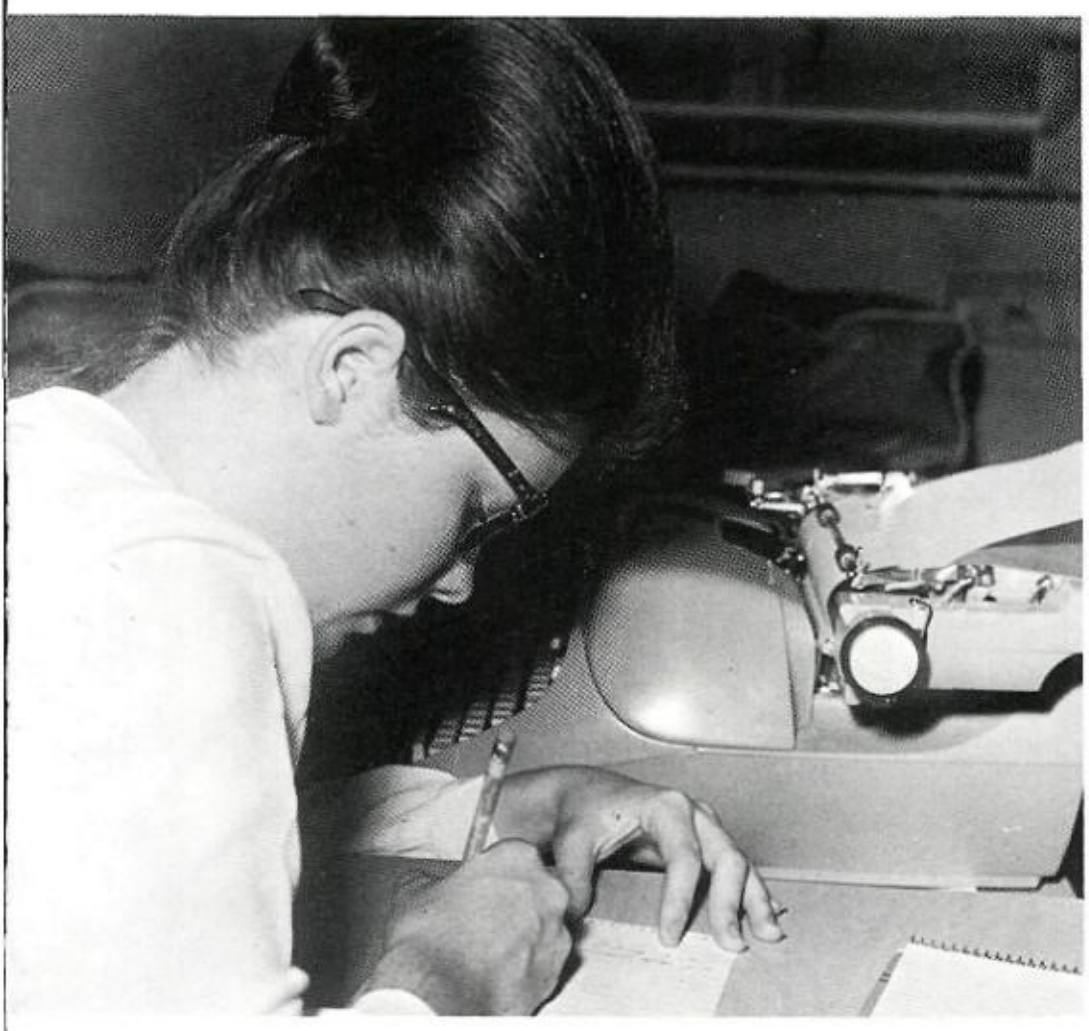


Students Bill Cunningham, Danny Bills, and Carolyn Young, are instructed in American History by Mrs. Ellison.

Business Department . . . Adds Business Law

Typewriters go fast and furiously in Mrs. Claborn's typing class.

Linda Crossland works out mathematic problems on the adding machine during bookkeeping.



Shorthand students learn to take dictation and transpose it.

Four courses in the Business Department are offered to students at PHS. These classes consist of Bookkeeping I, Shorthand I and II, and Typing I and II.

Business Law, a one semester course, was renewed this year in Plainview High School. Another one semester course is a typing course for personal use.

Queen Shirley's Coronation

The Seniors had anxiously awaited the beginning of one of the brief, yet treasured events of the year, the Coronation. At last October 12, 1965 had arrived.

Emcees, Bonnie Cawthon and Thomas Wright, announced the 61 "Lords and Ladies" of PHS.

The trumpets sounded. Princess Nina Long, escorted by David Smith, appeared and walked down the aisle to take her place beside the throne.

Again the trumpets sounded, and Shirley Harris appeared. She ascended the throne. Stan Rigler, Student Council President, crowned her "Queen Shirley." Lloyd Watts presented the scepter; the Queen made her proclamation, and the curtain came down on another Coronation as Susan McGuire played "Plainview High".

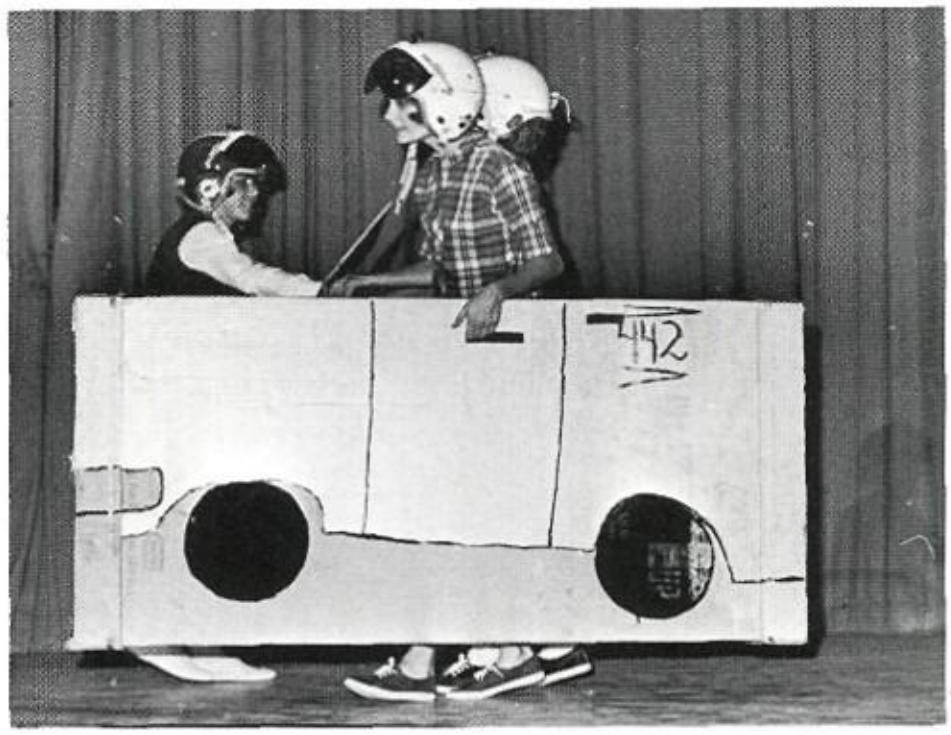
Always a popular event—the car smash, sponsored by the Key Club.



In the talent show, Marie Bass, Jody Walker, Pam Cooper, Sue Long, and Sonjie Barclay won the Senior High competition. In their "exclusive" sports cars, they satirized Sunday afternoon drives, automation of drive-ins, and drag races.

Another first for PHS—Queen Shirley and Princess Nina reigned at the Homecoming game.

Homecoming activities began Friday at 4:00 with building the bonfire. PHS'ers gathered wood, chairs, suitcases, etc. from everywhere to build the '66 bonfire.

Chaperoned by fire trucks, the fire roared as the cheerleaders led the fans in yells.

The Bow-Wow, sponsored by Tri-Hi-Y, began at 8:00 P.M. Talents of every age participated.

After the game, the school sponsored a dance for the student body.

Howdy Week End

Manos arriba!—dice senorita Elizabeth Wagner.

Cowpokes eatin' their grub.

"Howdy Week" was set to a close as PHSers became cowboys and cowgirls for the traditional Western Day. By turning the clock back to the "good ole days" PHS took quite a change! Western Day revealed Rhonda Lewis and David Etheredge as Most Friendly Boy and Girl. Best Howdy Hats were worn by Bill Moore and Linda Gibson.

There's a story behind this picture, but James Patterson and Rita Jones will NEVER tell!

Climaxing Twirp Week, the Junior Class of 1966 presented a hilarious comedy entitled "Time Out for Ginger." In it Ginger decides that being a girl should not stop her from joining the school football team. Her father agrees and supports her position enthusiastically. Soon, however, Ginger finds that she cannot retain her feminine qualities, keep her boyfriend, and still remain on the football team.

Seniors Stage

The Senior Class of 1966 presented "The Miracle Worker" for the traditional senior play. It tells the heartwarming story of the deaf, blind, and mute Helen Keller and her marvelous teacher and life-long companion, Miss Anne Sullivan. Miss Sullivan was hired by the Kellers in 1880 to come to their Alabama home to work with their daughter. She had only recently graduated from Perkins Institute for the Blind in Boston, having once been blind herself. She was rejected by Helen at first, but due to her extreme perseverance and determination, she touched the heart of Helen at last, virtually liberating one of the most brilliant minds and dedicated souls of all times.

The play itself was a first for PHS in many ways. It featured stereo sound effects, advanced set design and lighting, specially composed music, and an integrated cast. Termed by Mr. DeWese as "the hardest play ever attempted by a PHS troupe," the cast members and technical crews at times were more than willing to agree! However, all blood, sweat, and tears were compensated for on the nights of production. The audiences of both nights gave standing ovations and a new attendance record for a class production was set.

On these pages, the fine cast is recognized, in actual scenes from the production. However the cast members themselves would be the first to agree that many others worked equally hard to make the play the success that it was. These others are of course, the members of the technical crews, ably led by Tom Green. Due to lack of space on this page, these have been recognized on the Thespian club pages.

Mr. C. M. Shearer composed the music, Mr. O. T. Ryan transposed for the various musical instruments, and members of the PHS band played it.

The Seniors were especially grateful to their dean, Mrs. Bishop who went "all out" for publicity and helped also to keep the morale of the cast up during a few distressing times.

All in all, it proved to be a most rewarding experience by all who were involved, and a real milestone in drama in PHS.

JR.-SR. BANQUET & PROM

The banquet and prom were a gala affair as always. Couples arrived in their formal attire and walked under an arch-way and down a ramp to take their dinner seats. Gordon Zeigler was Master-of-Ceremonies. The Senior Prophesy was read, and the seniors presented a bracelet to Mrs. Bishop in appreciation of her year's work as dean. Following the banquet the prom went into full swing with gay dancing until midnight.

SENIOR PARTY

Parents of the seniors sponsored an all-night party following graduation exercises. It was held at the Country Club and featured an Hawaiian theme. Dress ranged from the girls' mumus to Jim Keys' Spanish serape and Lloyd Watts' red polka dot pajamas (see below). Activities included dancing, swimming, card games, and a baby picture contest. A dawn breakfast concluded the party.

Hereford is forced to punt by Bulldog defenders.

Plainview's gridsters opened the '65 season on a winning note, downing Hereford 13-8 September 10, marking the first opening win on the local turf since 1952.

Steve Mason was the leading ground gainer for the Bulldogs, tallying 69 yards in 12 carries. Stan Rigler also chalked up several fine returns.

Defensively, Gary Covey, David Etheredge, Steve Rodgers, Jack Ferguson, David Smith, and Rigler stood out.

Capitalizing on a fumble at the Bulldog 20, Amarillo used only two plays to put the first of five touchdowns on the board with 10:13 left to play in the first quarter.

After Homecoming Loss

An estimated 4,000 homecoming fans saw Plainview Bulldogs take a 13-7 firs quarter lead before bowing to the Palo Duro Dons 28-13 in Bulldog Stadium Octobe 16.

Palo Duro drew first blood midway in the first quarter when a Don took a Bo Bouldin punt at his own ten yard line and raced 90 yards to "pay dirt." The Don then led 7-0.

Steve Mason set PHS on its own 47 with a 23 yard run on the kick, and two plays later, Stan Rigler, aided by good blocking, picked his way through the Don defense for a 53 yard touchdown jaunt. Rigler also converted, making the game 7-7.

The second Scarlet and Blue T.D. came when Raymond Pendergast fell on a Don fumble, Mason skirted for 12, Rigler added 10, and Mason went over to throw Plainview into the lead 13-7.

Jubilation was short lived. The alert Dons clocked for two more tallies before halftime when the board showed 21-13 favoring Palo Duro.

PHS tightened in the third period with a 72 yard drive, but it stalled on the nine yard line, and the locals did not threaten again. Palo Duro hit one more time to make the final score 28-13.

The Plainsmen scored five of the first six times they fingered the football and completely dominated first half action. Two T.D.'s came on runs before Quarterback, Randy Bowlin, fired passes of 17, 42, and 27 yards to three different receivers. Bowlin added two bonus points, and Jim Stiles kicked three to total a 23-0 midway margin. A five yard pass by Bowlin and Stiles' conversion rounded our scoring.

Plainview's offense rolled just before the final period and moved from the Monterey 46 to "pay dirt". Mike Buchanan hauled in a pass for 17 yards and a 15 yard penalty put the ball on the nine. Stan Rigler and Steve Mason each got four to the one. A penalty moved the Dogs back to the six. Three plays later Rigler barrelled in from the one. A pass for two points failed.

Stan Rigler turned in his second 20 point, one man scoring show as the Bulldogs toppled to the Tascosa Rebels, 24-20, in Amarillo, November 19.

Tascosa drew first block, but the Dog's got on the scoreboard with 11:53 left in the second quarter on a 10-yard pass to Rigler from David Maggard. Rigler kicked to tie the score 7-7. A rugged defensive battle dominated play until 30 seconds before halftime. An attempted Rebel field goal fell into Rigler's waiting arms five yards in the end zone. Rigler took advantage of the wide green field about and raced to "pay dirt" and converted for a 14-7 intermission lead.

A pair of Rebel scores and conversions sent the hosts ahead 22-14 after three quarters. Gary Covey recovered a Reb fumble early in the final quarter and a 55 yd. pass to Bobby Bouldin set the stage for a one yard plunge by Rigler. A pass for the equalizing points failed. Seconds later Tascosa notched their third TD and scored again with 2:40 to play to ice the game.

The Baseball Team

The Bulldogs baseball squad, coached by Harold Green and Bill Phillips finished the 1966 season with a 17-11 record. The team led the district in non-conference play but came in sixth in the district race with an 8-10 record.

A sizzling .365 team average was posted before district play, and the 'Dogs hit .254 in loop tilts. Baxter McAlister's .487 mark topped the club in pre-district action and Roland McCutcheon's .369 was top in district. The latter led in runs-batted-in of the season with 25.

Most of the pitching chores were handled by McAlister and Johnny Campbell. Campbell was selected as the left-handed pitcher on the All-District Team. He was 9-4 for the year, 4-4 in district. McAlister was 5-7 despite tying some very close decisions.

The outstanding game of the year was a 13-11 win for Plainview at Amarillo in eight innings. PHS overcame deficits three times before Tom Locke's home-run in the eighth won the game.

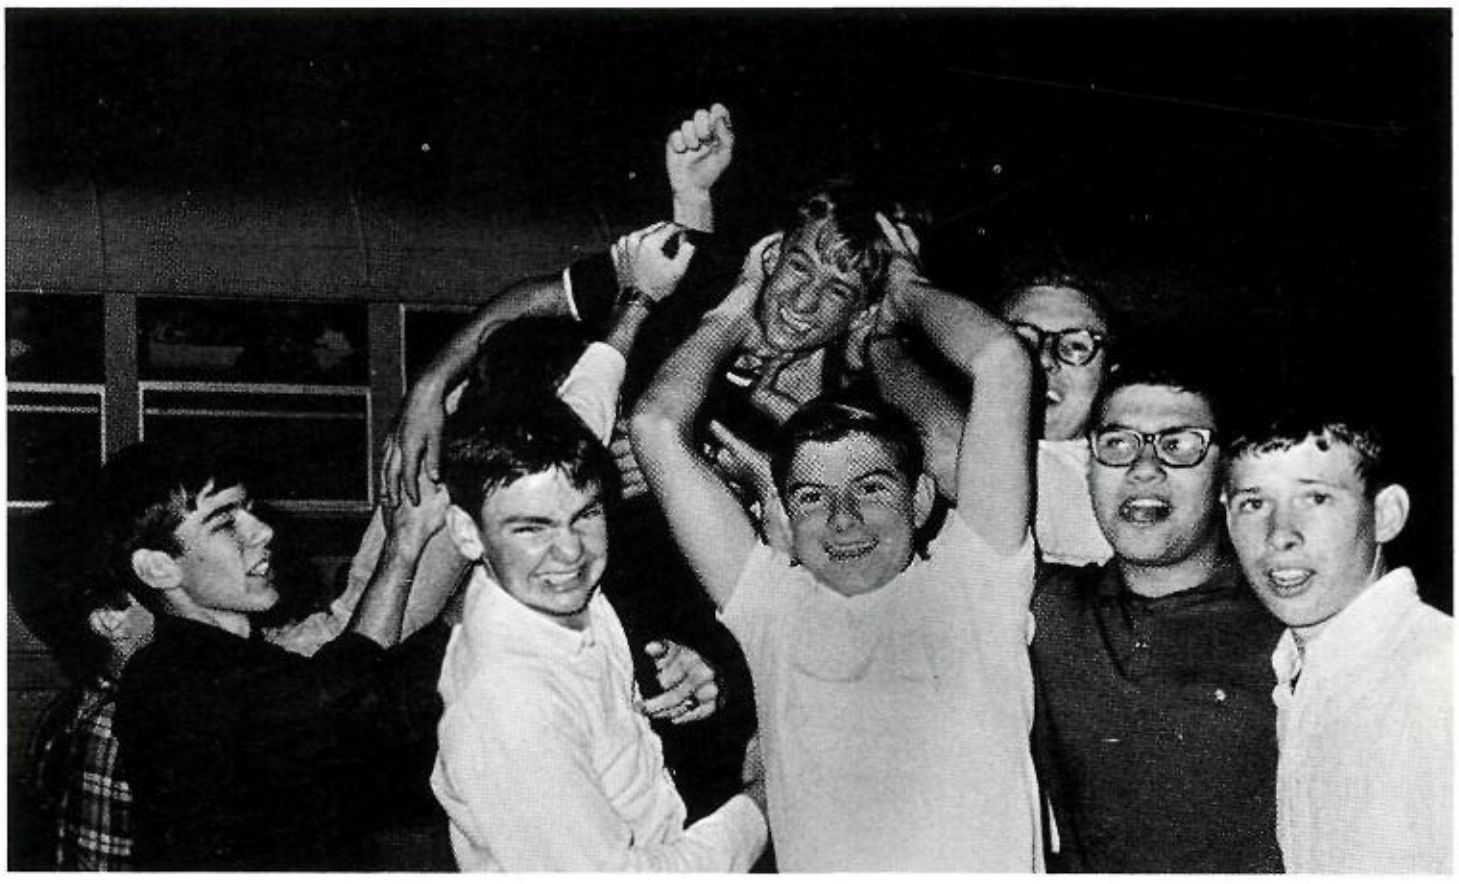
Music is the gentle beat of the great heart of the world. The music of the 4-A, 3-A, and Stage Band, was the gentle beat of the great heart of Plainview High School for 1966.



"Hey, ya'll, Mack Walker is fragile, handle him with care!!"

A Cappella

Big plans, ideas, and goals were achieved by P.H.S. A Cappela choir under the direction of C. M. Shearer. The first weeks of school started the "never-ending uphill road" as A Cappella sang for a teacher's meeting, a teacher's banquet, and various other groups.

October brought the traditional Coronation and A Cappella sang for Queen Shirley and her Royal Court.

In November at the district contest, ten PHS choir members placed in All-Region, three of which were All-State candidates. Floyd Hicks, choir president, made the All-State Choir.

After six weeks of rehearsal, the "Red Mill", a musical comedy, was presented in December. Christmas spirit filled the halls as A Cappella caroled just before school was dismissed for the holidays.

January blew in-with long rehearsals, sight-reading, and solo and ensembles contests.

The Sacred Concert in February, at Grace Presbyterian Church was an inspiration to all who were there.

Winning Sweepstakes in Canyon in March was a dream-come-true for A Cappella.
April I brought the annual Spring Concert.
"Trial by Jury" was presented. Also in April the choir attended Buccaneer Music Festival in Corpus Christi.
To conclude the year, the music department joined the speech and art departments in presenting a program dedicated to Floyd Manry.

Sweepstakes Climax A Cappella's Busy Year

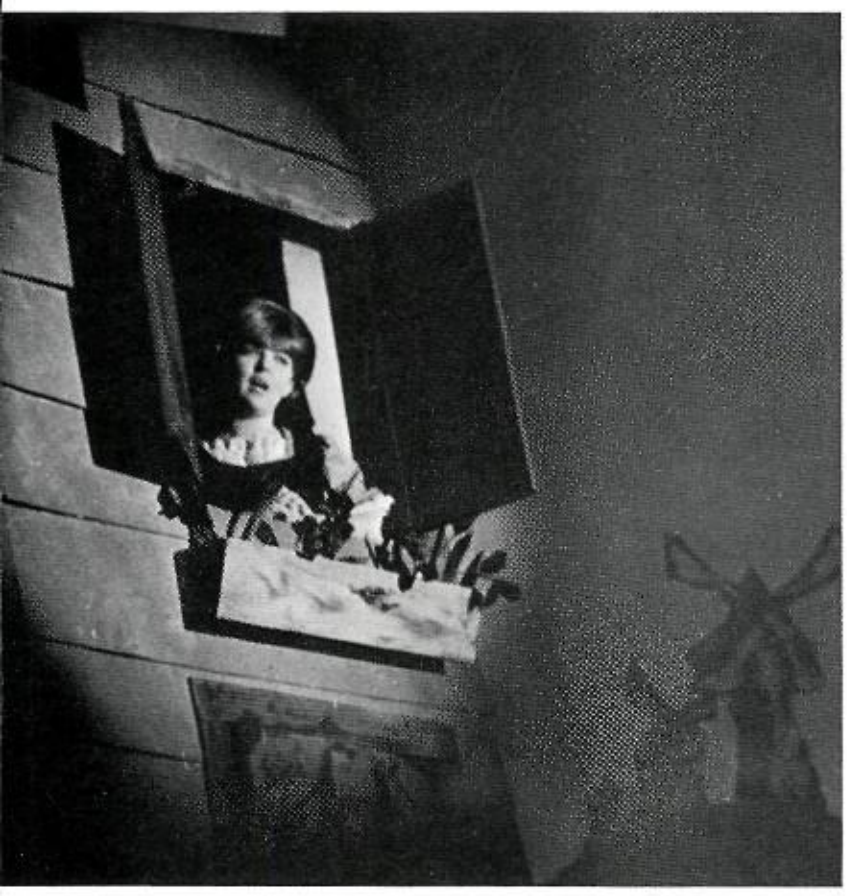
What a girl says in private shouldn't be said in public!

Cindi Smith tells the legend of the "RED MILL".

Madame DeFure speaks—"Life is made for love and laughter."

The "RED MILL" was truly a musical-comedy from beginning to end.

Two American boys traveled through Europe and ran up large hotel bills, then left before paying. The curtain rises as these two are caught and the fun has just begun.



hile she is locked in the Red Mill, Gretchen sings her oubles to the moon.

Willem looks on with disdain as Hendrick and Gretchen are reunited.

The honors that the A Cappella Choir received this year were the result of many long hours of hard work. These hours did contain much joy, but the choir worked when they worked, and enjoyed themselves after the work was finished.

To all who were members of A Cappella choir this year, 1966 will be remembered in the hearts of all of them.

"Stop!" cries Gaston, "You mock the art of ballet."
